From Larry Stehle

To Doctor Malik -

I wasn't sure how to write a testimonial but here it is. I hope it is satisfactory.

Doctor Malik's dental practice offers a skilled, respectful and comprehensive approach every time I have visited him. He is methodical and always makes sure his patients are comfortable. Communication is ever present, with staff immediately and patiently addressing all questions and concerns that may arise. I have received and will always look forward to receiving excellent clinical care and interest in my well-being as his patient.

TO: DR. MALEK

MY NAME IS BARBARA RANDLE. I WANT TO THANK YOU FOR MAKING MY EXTRACTION AND MY IMPLANT PROCEDURE A VERY PLEASANT EXPERIENCE.

I VERY MUCH APPRECIATE THE WAY YOU TOLD ME IN ADVANCE WHAT TO EXPECT AT EACH VISIT AND THAT YOU WOULD EXPLAIN EVERY PROCEDURE BEFORE YOU STARTED. I ALSO APPRECIATE THAT YOU TREATED ME WITH KINDNESS AND RESPECT.

MY EXPERIENCE WITH YOU AS A PERIODONTICS AND DOING MY IMPLANT WAS GREAT AND I HAVE AND WILL CONTINUE TO RECOMMEND YOU TO MY FRIENDS AND FAMILY.

THANK YOU

Barbara Randle

To whom it may concern:

This letter is being written in regards to services that I encountered during my appointments with Dr. Reza Malekzadeh. From the time I made my appointment to the time I entered Dr. Malekzadeh's office I felt relaxed. Upon being introduced to Dr. Malekzadeh he took the time to explain the dental procedures I was about to go through. After explaining the procedures he then discussed a payment plan that worked best for my budget. Once the procedures actually started I knew that I had made the correct decision having Dr. Malekzadeh perform my Orthodontics needs.

I, as well as my family and friends have been so please with the outcome of my implants and the services provided by Dr. Malekzadeh that my husband has since started going to Dr. Malekzadeh office for his dental needs. Because of my experience with Dr. Malekzadeh I will be recommending the services he has to offer to my friends and family.

Warm regards,
Isabel Martinez
